 **OKLAHOMA  
FARM BUREAU  
INSURANCE**

*We're OK, so you're okay.*

Tornadoes, hail storms, herds of cattle — there's no telling what kind of damage-causing craziness you'll run into living in Oklahoma. But no matter what it is, as a fellow Okie, it won't surprise me.

Like all Oklahoma Farm Bureau agents, I live right here in the Wild-Weather State. In fact, I'm just down the street. So stop by or give me a call, and let me tell you why insurance coverage designed for Oklahomans by Oklahomans is so much better.

With Oklahoma Farm Bureau reporting a claim is easy and convenient thanks to our

**24/7 Claims Hotline.**
